

**excellium**  
PRO Concentrate

NEW  
FORMULA

Engine cleanliness

Combustion boost

Stability increase

Foaming reduction

Anti-wear enhancement

Anti-corrosion improvement

## Excellium Pro Concentrate Plus

### Additive for professionals

A high performance multifunctional additive package designed for Diesel vehicles.

**Designed for the new engine technologies (fuel pressure increase, stringency of emission standards...)**

Cleans the engine and reduces friction losses of the fuel injection equipment. These features contribute to fuel economy and reduction of CO<sub>2</sub> as well as pollutants.

**Adapted to biofuel content**

Performs in all fuels, even with high amount of biosourced bases. Counterbalances all the constraints linked to the biofuel properties (eg. poor FAME oxidation stability).

**Storage:** up to 50°C

**Shelf-life:** up to 24 months

**Packaging:** 1000L container, 185kg drum, 5L can

**TotalEnergies**
